REMARKS

Page 11, line 7 of the specification (in paragraph [0033]) was amended to insert reference numeral --8- after "receptacle." Reference numeral "8" appears on FIG. 1. It is respectfully submitted that this amendment would be apparent to one of ordinary skill in the art, and thus such amendment is considered to be an obvious correction of an obvious error. Other minor editorial changes were made to paragraph [0033].

Entry of this AMENDMENT is respectfully requested.

Respectfully submitted,
